

## Refunds and Cancellation Policy

Senior Care Solutions Online LLC is committed to providing exceptional care management services. When someone cancels without giving enough notice, they prevent someone else from receiving our services.

Clients and potential clients must cancel their scheduled appointment, or request to reschedule, 24 hours before the date and time of the scheduled appointment.

### Changes requested with notice

- Cancellations: If the appointment was cancelled within the required time frame and the client wishes to have a refund rather than reschedule, a full refund minus \$10 will be processed through PayPal.
- Rescheduling: Requests made at least 24 hours before the appointment may reschedule to a different date/time for no additional fee. The free rescheduled appointment must occur within the next 30 calendar days or be forfeited.

### Changes requested without enough notice

- Cancellations made less than 24 hours before the day of the appointment will receive a 50% refund payable through PayPal. If no notice is given (e.g., a “no show”) then the entire fee is forfeited. There will be no refund.
- Rescheduling requests made less than 24 hours before the day of the appointment will be charged a \$25 rescheduling fee. The rescheduling fee must be paid at the time of making the new appointment.

### How to cancel or request a reschedule

To cancel or reschedule the client must text 352-219-4070 to let us know of the change. Cancellations may not be made via email as there is too great a likelihood they could be caught in a spam filter or overlooked.

### Our client's medical emergencies

In elder care, we often are dealing with what can be an urgent matter. Our schedules are not always our own. While Senior Care Solutions Online LLC strives to keep all appointments on the date and time scheduled, it is important to understand that medical emergencies may occur for another client during your scheduled time. Just as you would want us to be there for you in such a case, we ask for your understanding. Should we need to be elsewhere, we will contact you as soon as possible and reschedule your appointment, obviously at no charge.
